**FOR IMMEDIATE RELEASE**

**VISHAY ISSUES STATEMENT REGARDING \$23.00 PER SHARE CASH PROPOSAL FOR INTERNATIONAL RECTIFIER**

**Malvern, PA – September 16, 2008** – Vishay Intertechnology, Inc. (NYSE: VSH) today issued the following statement in response to the decision by the Board of Directors of International Rectifier Corporation (NYSE: IRF) not to enter into negotiations with Vishay regarding its September 10, 2008 proposal to acquire all of the outstanding shares of International Rectifier for \$23.00 per share in cash:

“We are disappointed that International Rectifier still refuses to negotiate with Vishay regarding our increased \$23.00 per share in cash proposal.

“We are confident our all-cash premium proposal would provide International Rectifier stockholders with far greater value than what International Rectifier could achieve on its own in the foreseeable future.

“It has been our strong preference to work together with International Rectifier to negotiate a mutually agreeable transaction; however, International Rectifier’s refusal to negotiate with us has left us with no alternative but to present our increased all-cash premium proposal directly to International Rectifier stockholders. We look forward to the delayed 2007 Annual Meeting on October 10, 2008, at which the International Rectifier stockholders, the true owners of the company, will have an opportunity to express their views by electing our three nominees to the International Rectifier Board of Directors.”
