2024 ANNUAL MEETING OF STOCKHOLDERS
Stockholder Questions & Answers

Below are questions submitted in advance of and during the 2024 Annual meeting of Stockholders of Vishay held May 21, 2024.

Q. The company has in place a majority vote standard for director elections. Could you describe the post-election process undertaken by the Board to address the continued status of an incumbent director that fails to be reelected. Thank you.

A. Thank you for your question and your support of our Company. Plurality voting applies in the election of our directors, as set forth in our Proxy Statement. For your information, all of the nominees for election at our 2024 Annual Meeting received a majority of the votes cast by our stockholders.
